

ISRAR AHMED

Junior Strategist & Visual Designer ♦ +91 91115 27232
Gandhi Grah, Vigyan Nagar, Kota (RAJ) ♦ i.israrahmed08@gmail.com

PROFILE

Junior Strategist & Visual Designer focused on research-driven identity systems for tech and fintech brands. Combines storytelling, typography and layout with forensic-level research to clarify positioning and build differentiated visual identities Building skills for AI era (AI workflows and vibe coding).

EXPERIENCE / PROJECTS

Bakkengrow — Crypto Asset Management

Brand & Identity Designer

- Developed brand strategy and identity for an early-stage crypto asset manager, reframing crypto from risky speculation to responsible wealth-building for young professionals.
- Created a multi-layered logo concept and the tagline “*Be a Breadwinner*”, using cultural insight to signal education, empowerment and trust in a high-skepticism market.
- Delivered a complete visual identity system and messaging framework used in investor and client conversations.

Veenu Cafe & Restaurant — Highway F&B

Brand & Identity Designer

- Designed the brand identity and positioning for a new vegetarian highway restaurant.
- Built the VEENU narrative around “We and You” and a bold geometric logo optimized for rapid decision at highway speed.
- Defined typography, color and core applications, contributing to a reported 60% footfall increase within six months.
